

Song: „What’s in your Lunch Box ?“ von Laurie Randolph

Music: Fetzig 1

What’s in your lunch box ? What’s in your lunch box ? What’s in your lunch box ?
Peanut Butter !

What’s in your lunch box ? What’s in your lunch box ? What’s in your lunch box ?
Egg salad !

What’s in your lunch box ? What’s in your lunch box ? What’s in your lunch box ?
Holy Moses !

Music: Fetzig 2

I got a bag of chips with catsup and a burger in a bun.

Got a milkshake and a soda and a pack of chewing gum.

Got a chocolate bar that’s melted ‘cause I left it in the sun

...and that’s not all.....

I got a can of coca cola and a bag of chocolate chips.

Got some veggies thinly sliced and a variety of dips.

Got an apple, a banana, and an orange without the pips. ... *thats super cool!* ...

Music: Fetzig 1 *I wanna know*

What’s in your lunch box ? What’s in your lunch box ? What’s in your lunch box ?

Why, it’s empty !..... Yeh, I...ate...it...all !
